

# WHY AMIGO?

CUSTOMER TESTIMONIALS SAY IT BEST!

*“Our guests simply love the Amigos. They keep their appointments without relying on anyone else to get them there (in a wheelchair)... real independence.”*

Guest Services Manager, **Crittenton Hospital**

*“Yes, we love, love our Amigos! Use has been climbing and people love them!”*

Director of Development, **Huron Valley Sinai Hospital**

*“We’ve heard nothing but positive comments about our new Amigos from those who use them. The Amigos provide our visitors and guests with unprecedented freedom of movement. Now, instead of being dependent on other family members or staff to get around, our guests direct their own travel throughout our facility. The Amigos are reliable, maneuverable, and easy to use. Our only complaint is that we didn’t order them sooner.”*

Security and Entrance Services, **University of Michigan Hospital**
